## Recycled Golf Balls

As a regular golfer you know that the best ball you can afford will make a big difference to your game. But new balls are expensive and don't always finish the round with you. We offer the best quality A, B and C Grade - recycled golf balls.

### A Grade - \$3 each 50% Empire Trade

Our A Grade quality recycled golf balls are the best available and enable you to afford great balls to optimize your performance. They are the choice for many golfers regardless of skill level. The A Grade balls look and feel like brand new balls, you'll probably think they've only been used on one hole! There are no X Outs but you may get some balls with slight discolouration, corporate or sport team logos and player markings. NOTE: We do not sort balls by year or name of manufacture . All orders will be a mix of brand names.

### B Grade - \$2 each 50% Empire Trade

B Grade recycled golf balls are clean, playable and may have moderate surface blemishes and player ink marks, corporate or sport team logos or discolouration. The blemishes will not affect the ball's design and playability. Although these balls are slightly cosmetically challenged, they have no significant cuts or creases. They are similar to a ball you've played a few holes with, so you'll still be able to shoot your best score with these!. NOTE: We do not sort balls by year or name of manufacture . All orders will be a mix of brand names.

### C Grade - \$1 each 50% Empire Trade

Our C Grade recycled golf balls are the best value buy. While they may have surface blemishes and discolouration and corporate or sport team logos, they have no serious cuts or damage and are totally playable. X outs and Practice balls may be included in the mix. These are great knock about balls for casual golfers or the kids! NOTE: We do not sort balls by year or name of manufacture . All orders will be a mix of brand names.

Minimum order 20 balls

All orders under 50 balls will be sent Aust Post COD

All orders over 50 balls will be sent FREE with Fastway Couriers
